Connections
October 2026

Building a community where all are enriched
through Christian Love, Service, and Spiritual Renewal.

Dear Church,

Wow! What a month it has been.

I feel like I say that every month, and with any luck, I'll keep starting my newsletters with those sentiments!

I am just over the moon at what has been happening around here. Are you? I hope you are, because there is so much to celebrate and be proud of.

Our 9/11 Memorial Service served to honor those who were lost and also to take a hopeful look toward the future. We had a beautiful time outside our building at our Stewart Avenue entrance as we lit candles, engaged in liturgy, and remembered.

Our Welcome Day weekend was a huge success. We had 30 people at our Family Movie Night, and even though we were rained out, we had a fun and joyful Welcome Day, complete with a long line of ice cream eaters at our Mr. Softee truck.

Our inaugural Le Salon: A Gathering for Women took place last Thursday evening. We transformed our chapel into an enchanting salon and hosted 45 women! Women from our church, women who haven't been around for a while, and women who saw it advertised in the Garden City News and decided to check us out. The event has gotten incredible feedback so far, and we are already looking forward to our next one on December 10.

Our new and updated Blessing of the Animals service was so fun! Gardner Hall was filled with wagging tails, bouncing, and barks. The entire service was devoted to the animals in our lives as we recognized ourselves as creatures among creatures. We blessed them, but we know how profoundly they bless us each and every day.

It continues to be an absolute joy to be your Senior Minister. Each day in the office with my amazing team is such a gift. We have so much fun, we work hard, and we are like-minded, running toward the same goal together. It is unbelievable what we have been able to achieve in such a short amount of time, and there is no way it would have happened without the amazing team I call our staff.

I am so very grateful. More than I can say.

And now, onto October.

Our Stewardship Month.

We have a lot planned, and we have a big goal.

Continuation of Dr. French's October letter

There is no need to dance around the fact that we will be making several asks for you to make a financial investment and commitment to the church you love and call home. In community, where there is love and trust, there is no need to feel awkward or cringe.

Is it challenging to talk about money? Absolutely.

But we do it because of what we all love so much: our Garden City Community Church.

Last year, our goal was $300,000. We received $215,000 in pledges. We are so grateful to everyone who pledged. GCCC continues to thrive because of your generosity.

But—and—we must get that number up to $300,000 this year. Reaching that goal allows us to fund the ministry of this church without placing unnecessary pressure on the investment funds intended to help sustain GCCC into the future.

People say you should never talk about politics, religion, and… MONEY.

Well, maybe I'm in the wrong line of work then!

I have to talk about money.

We need to talk about money if we want our church to thrive beyond the now; if we want it to sustain itself For Generations to Come.

So I invite you over this next month to plug into the communications we will be sending out about stewardship. Attend our Sunday morning services, whether in person or at home, as we talk more about our present and future together.

Be thoughtful.

Be prayerful about how you might be able to contribute.

There is no amount too small to be part of what we are building here.

And there is also no amount too big! ;)

I am looking forward to our first Stewardship Campaign together and to crossing the finish line of our goal together.

I know we can do it!

See you there!

With gratitude,
Maria

A Message from our Council of Trustees (COT) Chair

"Honor the Lord with your wealth, with the first fruits of all your crops; then your barns will be filled to overflowing." Proverbs 3:9-10.

As we enter October, Stewardship month, I think about all the great things we have done in the past 97 years. We have…

- a beautiful building,
- committed Pastors who have led us though the wilderness with Sunday and other special services
- committed members and friends who gather each week to share worship and fellowship
- a legacy of giving and helping those in need through the Giving Garden, Mission Trips, food donations and Sandwich Sundays
- a strong youth program including Sunday School, Confirmation and Youth Group
- an excellent music program with talented Music Ministers, adult choir, children's choir, bell choir and youth band
- social fellowship events including the lobster dinner, game nights, movie nights and picnics

These programs still continue to this day with Rev. Maria guiding us on how we can update and make our programing relevant to today's families. She is working on new and innovative events, not to change what we offer, but to enhance and grow our connections with each other. For example:

- VBS/Carnival Extravaganza
- Le Salon – a fellowship for women of the church
- Blessing of the Animals in Gardner Hall on Sunday morning
- New Youth and College fellowship

These events will be spiritually engaging and socially fun and will bring new members into the church so invite your friends and family to join us. We need the help of our members and friends to bring these events to fruition. It takes a multitude of volunteers as well as financial input to run a successful church. As we enter October, Stewardship month, please consider pledging (if you have never done so before) or increasing your pledge (if you have been generous in the past), so the church can continue to provide strong programming for all ages, community events and fellowship opportunities. As Uncle Sam would say, "We need you!!" to continue for another 97 years!!!

Blessings,

Karin

Christian Education Updates

from Amanda Dias, Youth Ministry/Outreach Coordinator

October is one of my favorite months. The air gets a little cooler. The leaves and changing color. So many fun fall activities, including the start of YOUTH GROUP. Dr. Franch and I are excited to be working together on our new program! We are hoping to incorporate some live music as well as learning the bible better, games, and interesting conversation. We are looking to do a format very reminiscent of the Mission Trip. Come hang out and learn a bit more about your faith. Bring a friend, create a community. Also look out for a date for our Annual Haunted House trip, I will be sending out a poll for location and date soon. For more information, please feel free to reach out!

You can sign up for youth group here: https://gccc.breezechms.com/form/HSYG2552

In order to run these groups, we are going to need help! The work is so rewarding, and I love watching our kids grow and mature. Hard questions are bound to happen, but they are very understanding and curious. Kids want to know how this stuff at church relates to them, why they should care. You can be the one to show them what God has done in your life. I love sharing with the kids but a fresh new perspective might be what they need! If we can get a rotation large enough everyone would only need to sign up once every few months. We are looking for adults who want to work with and get to know our youth. If you are musically talented, we would love to incorporate some live music into our youth group, the commitment would be whenever you can make it. Then we are also looking for lay leaders, people who love God and love our youth. People who want to share what they have learned in life about God, love, friendships, etc… They would help facilitate discussions, games, bible readings, etc… If you can please sign up! Our first meeting is Oct. 4th!

A Message from Your Church Treasurer

Stewardship in Action

As we begin another month, I want to take a moment to express my thanks to each of you for your continued support and generosity to our Church and its ministries. And here we are launching our 2027 Stewardship campaign—***"For Generations to Come."***

Every gift, whether large or small, is a meaningful part of the work God has entrusted to us. Through your giving, we are able to support our church ministries, care for those in need, reach out to our community, and share God's love with others.

Our financial stewardship is about so much more than numbers on a report -- it is about **people, ministry, and mission**. Your generosity helps our Church remain a welcoming place of worship, fellowship, service, and hope. We are ready to see our congregation welcome many newcomers.

Thank You for Your Faithfulness

I am grateful for everyone who comes to our church whether in person or virtually and all who give, serve, and volunteer. You bring strength and energy our congregation and help us make a difference in our community. I look forward to reporting on our Church's stewardship progress in the months ahead.

Joseph Stanco

FOR GENERATIONS TO COME

"She is clothed with strength and dignity; she can laugh at the days to come."

— Proverbs 31:25

I have always loved this passage from Proverbs, but this year one little phrase keeps jumping out at me:

"the days to come."

How perfect for our 2026 Stewardship theme — For Generations to Come.

Almost 100 years ago, people gathered in Garden City and began building a church community. They didn't know us. They couldn't possibly have imagined our Mission Trips, our music, our garden, our wonderful young people, or even some of the crazy things that have happened around here over the years!

But they planted the seeds.

They gave. They served. They cared for one another. And the generations after them did the same.

And because they did, we are here.

Jesus told Peter, "Feed my sheep." I think there is something wonderfully simple in those words. Take care of the people entrusted to you.

But perhaps Stewardship asks us to go one step further: take care of the people who aren't here yet.

Who will sit in our pews in 2050? Who will sing in our choir, work in our garden, go on a Mission Trip, teach our children, serve our neighbors—or walk through our doors one day simply looking for a place to belong?

We don't know their names.

The people who built this church didn't know ours either.

I love this church family more than I can possibly put into a newsletter article. You have given me friendship, faith, laughter, purpose and so many opportunities to serve alongside people I truly treasure.

I simply want the people who come after us to find those same gifts here.

So this October, let us remember those who came before us with gratitude, love the church we have today, and look toward "the days to come" with joy and hope.

Because here's something I've been thinking about a lot lately:

Today, WE are the ancestors of the church of 2050.

What will they inherit from us?

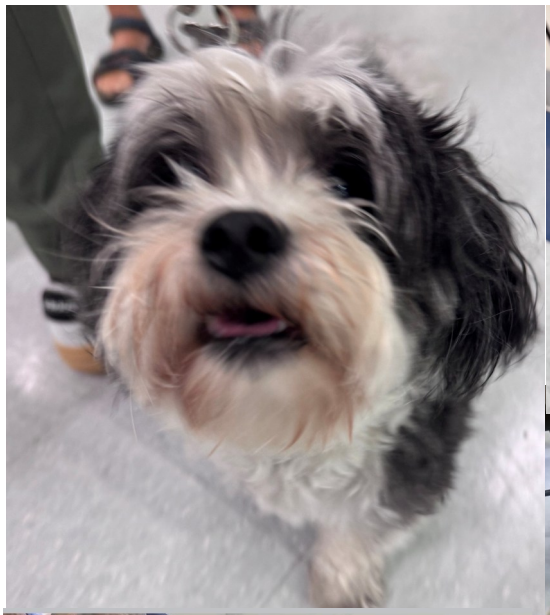

Let's leave them something beautiful.

For Generations to Come.

With love,
Michaela (Mico) Faella

Facilities Update

The Garden City Community Church facilities team has been very busy this past summer bringing our new Pastor's vision for the Church School Wing to life. They have worked hard to keep our building looking its best and welcoming for both church members and outside renters.

Now that the school year is underway, the facilities team has been especially busy with room setups and breakdowns as our many school-year programs return to the building. We are grateful for all of their hard work and dedication in keeping our building clean, organized, and ready for everyone who uses it.

We also have a staffing update to share. Ruben Torres is no longer with GCCC. We have welcomed Daniel Butt to the facilities team on a part-time basis. Many of you may remember Daniel, who was previously part of our tech team several years ago. We are happy to have him back at GCCC!

If you need assistance with the building or have a facilities-related request, please reach out to the church office at **controller@thegccc.org**.

Thank you to our facilities team for all they do to keep GCCC a welcoming place for our congregation and community!

Tuesday Prayer Group

The Prayer Group welcomes anyone who wishes to join us. We are meeting in the chapel Tuesday mornings at 9:30 am. Please email the office if you have a prayer request. **All requests are kept confidential**.

Forum on Sunday, October 18th at 11:45 a.m.
Mary Dewar's Second Book, "Africa: A Different Rhythm"
Co-written with her niece, Vicki Panhuise

After leaving Communist China in 1951, Mary Reed Dewar wondered where God would lead her next. In 1953, she sailed to Portugal to learn Portuguese before beginning a new assignment in Angola, then a Portuguese colony in Africa. Over the next two decades, Mary served as a nurse, educator, and public health leader across Angola, Southern Rhodesia (now Zimbabwe), and Ghana, working alongside missionaries, African colleagues, and local communities during a period of profound political and social change.

Through personal letters, recorded memories, and firsthand accounts, Mary recounts village vaccination campaigns, rural hospitals, nursing schools, river crossings, language lessons, and lifelong friendships. As Africa moved toward independence, she witnessed both the challenges and the hope of a continent in transition.

Vicki Panhuise, Mary's niece will present the forum with her. Vicki will also arrange for have a cake to celebrate Mary's 104th birthday.

Africa: A Different Rhythm is the story of Mary learning to listen, adapt, and serve in cultures far different from her own. It is also the story of how a calling to mission evolved into a lifelong commitment to public health, education, and community service.

This second volume of Mary Dewar's memoirs continues the remarkable journey begun in ***Behind the Red Curtain*****."**

Mission Trip

We are excited to announce that our 2027 Mission Trip will be to Boston, MA. Aug 1-7. Youth and Leaders - please pick up an application on the church hallway (formerly called the library) or contact: jillfrain@gmail.com for more information.

Men's Breakfast

All men of the church and their visitors are welcome; it is an opportunity to enjoy relaxed fellowship and conversation over a shared meal. **The next meetings are on October 3rd and November 7th at 8:00 am: Carle Place Diner 151 Old Country Road in Carle Place. Reservations are not needed.**

It's Time to Register for NURSERY SCHOOL

Nursery School registration for the 2027/28 school year will begin in November.

Making friends on the playground, painting, dressing up and building with blocks are just some of the fun activities the children can look forward to.

The GC Community Church Nursery School provides children with a quality educational program which inspires them to create, discover and achieve; fosters self-awareness and self-esteem; teaches them to treat others with gentleness, respect, compassion and generosity; and prepares them for advancement to the next level of learning.

Classrooms are set up to encourage free exploration, with a wide variety of materials and activities that are fun and interactive, and experiences that stimulate all of their senses. Programs are offered for 2, 3 & 4 year olds.

We have added some wonderful Enrichment programs to complement our Nursery Pre-K/Transition-K program. Enrichment classes include Community Cooking, Great American Artists, Science Explorers Class, Community Book Club, Rhyme Time & Lunch Bunch.
We also offer two programs for 2-year-olds, PlaySchool – a gentle separation program, and Next Steps – a drop-off/pick-up program for older 2's.

Church members and school alumni may register beginning November 2, 2026. There is a 10% discount on tuition for church members and for one child of families with two children enrolled. Open Registration begins on November 9th.

GARDEN CITY COMMUNITY CHURCH NURSERY SCHOOL

COMMUNITY ENRICHMENT CLASSES – 2027/28

Our Pre-K/TK Enrichment Program is designed to foster early learning and development, preparing young minds and bodies for the next level of education. Through engaging activities and hands-on experiences, we focus on building essential skills, including:

📚 **Early Reading & Comprehension** – Introduction to stories and chapter books to develop listening, comprehension, and a love of reading.

✍️ **Fine Motor Development** – Activities like cutting, tracing, and writing to strengthen small motor skills.

👂 **Listening & Focus Skills** – Interactive storytelling and guided exercises to build attention and understanding.

🔬 **Science Exploration** – Fun experiments and nature studies that spark curiosity and critical thinking.

🎨 **Creative Expression** – Art, music, and imaginative play that encourage creativity and problem-solving.

🔢 **Early Math & Critical Thinking** – Engaging math concepts to build confidence and cognitive skills.

With a nurturing environment and engaging curriculum, our program helps children gain the confidence and foundational skills needed for a smooth transition to kindergarten and beyond!

Monday - Science Explorers Class –

This hands-on class invites children to explore the wonders of science and nature. Research shows that a connection with nature supports children's educational, behavioral, and developmental growth. As they investigate textures, shapes, and patterns in the natural world, children ignite their senses, develop observation skills, and build a lifelong sense of curiosity and wonder.

Tuesday - Community Book Club –

Our Book Club offers rich, engaging experiences that foster early literacy development and a love of reading. Through shared stories, dramatic play, and interactive discussions, children expand vocabulary, strengthen comprehension, and build print awareness. Each session encourages listening, expression, and social connection. Students gain confidence as emerging readers and communicators while discovering the joy and power of storytelling.

Wednesday - Community Creators –

This class features two exciting parts — **Community Cooking** and **Great American Artists**.

Community Cooking: Children prepare simple, nutritious recipes while learning about measuring, mixing, and following directions. Literacy and math skills are naturally reinforced through cooking, setting the table, cleanup, and storytelling — and of course, tasting their creations!

Great American Artists: Children learn about notable American artists and explore their techniques through creative, hands-on projects. Each student builds a personal portfolio while developing artistic confidence, imagination, and appreciation for the arts.

Thursday – ABC Explorers –In ABC Explorers, children build a strong foundation for early literacy through playful, hands-on exploration of letters and sounds. Each week builds on letters introduced in their Pre-K classrooms through music, movement, and tactile activities that strengthen recognition, writing, and phonemic awareness. This joyful approach to learning nurtures curiosity, confidence, and a love of language that supports future reading success.

Friday – Lunch Bunch - Lunch Bunch is a fun, relaxed way to wrap up the week! The class reinforces Pre-K learning through activities in literacy, handwriting, math, science, and art. Lessons are guided by the children's interests, allowing creativity, collaboration, and fun to flourish in every session.

Creativity and having fun are planned for every class!

GC Community Church Tech Team

We are looking for youth (and the otherwise young-at-heart) to contribute to bringing our weekly services, special services, and other content to our homebound and our away-from-home members. This is also our chance to reach out to those seeking a new church home. But we cannot do this alone, we need your help, or your children's help in making this happen. Absolutely no experience required, and while we will guide newcomers, we will also gladly take advice from the old sages.

Who Am I and What is my Purpose?

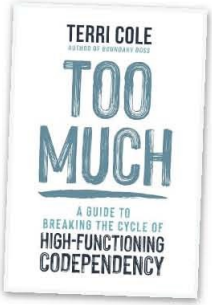

By Janet Siry, LCSWR

As Christians, we are taught to love one another. This perspective was often seen in Jesus' missions. Some of us believe, that to live the Christian life, we must sacrifice many things. Many times, we can be unaware of how this impacts our own mental health and well being. Although well intentioned, sometimes we harbor anger and resentment because we believe another person is taking advantage of us or does not appreciate what we have done for them. We believe our efforts are helping others cope when perhaps it is seen by them as control.

Codependent people are those who are overly invested in others' lives rather than considering their own needs and wants. They may sacrifice themselves in order to please others. Their relationship patterns tend to be focused on others' well being whether or not that person seeks their help.

Do you feel like you are doing it all? Do you ever say yes, when you want to say no? Do you sometimes wonder that if you don't do something, it will not be done right? Are you the person others rely on to get the job done? If you answered yes to any or all of these questions, perhaps you need to explore how these thoughts impact your own life.

Do you feel like you are doing it all? Do you ever say yes, when you want to say no?

To discern how these actions have impacted you, there are many authors who have written extensively about this topic. Terri Cole, in her book, *Too Much*, explores how to recover from the effects of this behavior. We can break this cycle, if we become more self aware of how these behaviors can create stress for ourselves and those we care about. Nancy L. Johnston also writes about people who lose themselves in others. She outlines self recovery strategies to assist change that help those involved in the cycle of codependency to get back in touch with their own needs. Melody Beattie first wrote about codependency in 1986 and published 18 more books thereafter. Her website, *melodybeattie.com* is a wonderful resource to find information about many types of addiction and recovery.

Our Lord tells us in Matthew 11: 28: "Come to me, all you that are weary and are carrying heavy burdens and I will give you rest".

This scripture reminds us that we must call upon the Lord to help us with any burdens – ours or others we worry about. In asking God for help and guidance, we may find "…the peace of God which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." (Philippians 4:7). Rely on God to help us and others in the hours of our needs.
